What does this Policy cover?

The role of a School Governor is unpaid. However, we are aware that the Education (Governors' Allowances) Regulations 2003 gives Governing Bodies the discretion to pay allowances from the school's annual budget allocation to governors for certain allowances which they incur in carrying out their duties.

We believe that paying governors' allowances is important in ensuring equality of opportunity to serve as governors for all members of the community.

Why should you read this policy?
